“The Second Cherkasy International Investment Forum–2016” will be held on September, 22-23 in the city of Cherkasy, Ukraine.

Location:

Perlyna Resort: <http://perlyna.biz/ru/services>

You will join pleasant and useful things: find new partners, new business opportunities and what’s important, you will have a very pleasant trip to the center of Ukraine.

Cherkasy is the main city and capital of Cherkasy oblast that is the central region of Ukraine located at the intersection of major highways from Baltic to Black seas and from Asia to Europe, and vice-versa.

The main branches of local economy <http://investincherkasyregion.uba.in.ua/#potential> that might be interested and potential for business cooperation are the followings:

- agriculture (all semi-branches), food and feed processing;
- chemical industry and fertilizer production;
- machinery and instrumentation;
- mining (brown coal, soil, titan)
- alternative energy (sun, wind, organic wastes);
- logistics (centers; warehouses; automobile, railroad, and river transports and infrastructure);
- ecology (disposal of domestic and industrial wastes);
- tourism (green, historical places of power).

Note: Participation in the Forum is by official invitation letter only after registration and accreditation.
